Dear Mr. Hullinger:

Re: Release of Revegetation Bond, Crystal Quarry, M/045/010,
Tooele County, Utah

Division personnel inspected the Crystal Quarry on April 28, 1988. All reclaimed areas have now obtained adequate vegetative cover and we will require no additional reclamation work to be performed at this site.

The cashier's check for \$1800.00 which served as the revegetation bond is enclosed. The Division hereby releases all claims against this cashier's check.

Thank you for your past cooperation. Please contact me or Frank Filas of my staff if you should have any questions.

Sincerely,

Kenneth E. May
Associate Director, Mining
